

Chris Maggitti, Classical guitarist and teacher
Chris@ClassicalChris.com
(410) 218-2766

From minstrels to concert halls, from campfires to cathedrals, the melodies of the guitar echo through the ages. The music of a well-played classical guitar has no parallel. It can evoke great sadness or joy. It expresses music through emotions, a message that brings serenity to any setting.

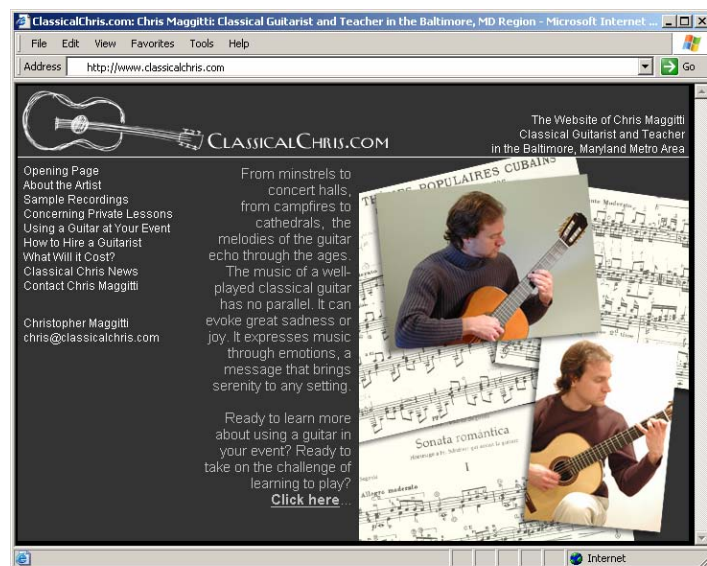

Consider a guitar for your next wedding or event.

Rates are reasonable. The effect is indescribably wonderful.

Please visit my website at:

www.ClassicalChris.com

It provides guidance in using a guitar, complete, clear pricing, and samples of my varied styles.

I look forward to speaking with you about your event.
